ARCHITECTURAL DESIGN

EDUCATION

Master of Architecture

Academy of Art University -2020
San Francisco, CA

B. S. Business Administration

University of Central Florida -2005
Orlando, FL

Certified Associate in Project Management

Project Management Institute -2009
Orlando, FL

DESIGN SKILLS

Space planning

Innovative design solutions

Technically creative and open-minded

Proficient Graphic Presentation and Communication of ideas

Rendering

TECHNICAL TOOLS

REVIT

AutoCAD

Adobe Illustrator, Photoshop, and InDesign

Microsoft Office

Bluebeam

NavisWorks

INTERPERSONAL SKILLS

Leadership

Collaborative style

Flexibility

Dependability

Adaptability

Active Listening

Decision Making

ADDITIONAL SKILLS

Project Management

Strategy Development

Graphic Design

Branding

Trend Analysis

LANGUAGE PROFICIENCY

English and Spanish

Innovative, self-directed, result-driven creative Designer with a “can do” attitude and experience in the A/E industry. Developing out-of-the-box and practical design solutions and any necessary architectural drawings for effective visual communication of ideas.

EXPERIENCE

Architectural Designer Intern - FINFROCK, INC.

Professional Development Program Internship | 2019 | Apopka, FL

- Participated in a ten-month rotational program acquiring valuable real-world experience in various areas of the Design-Build process
- Obtained hands-on knowledge in architectural drawings production, construction documentation, and modeling using Auto Desk Revit in both multi-family and garage projects
- Worked with the BIM department modeling and coordinating clash detection. This includes Mechanical, Electrical, and Plumbing systems
- Assisted in the creation and maintenance of software template files to assure standards
- Created Revit families in response to project needs
- Took part in the Manufacture and Construction departments in the precast concrete manufacturing facility and job site

PROJECTS

Architectural Designer

Reimagine Academy | 2019 -2020 | Orlando, FL

- Produced a comprehensive architectural design from independent investigation research to an integrated building project for 110,000 SQ FT educational facility
- Formulated an innovative and practical design solution resulting in a mixed free-flow approach to design. Characterized by micro-habitats designed around the spatial and social needs of individual student granting them the freedom and privacy required for individual and collaborative learning
- Developed an effective visual communication of ideas through architectural drawings, 3D representation, and accurate physical models

Architectural Designer

AAU Expansion | 2018 | San Francisco, CA

- Designed a comprehensive proposal for a multi-use building that included a wide variety of factors, including user needs, program, cost, sustainable design, energy concepts, flexibility, and universal access
- Prepared a complete set of architectural drawings, conceptual diagrams, renderings, and construction documents to effectively communicate the design ideas

Architectural Designer

SF Dance Center | 2017 | San Francisco, CA

- Developed an innovative design proposal that examined the practical and poetic aspects of the site, including zoning and planning, climate, orientation, topography, vegetation, views, history, culture, memory, sensory, and experience
- Recognized city issues and related restrictions in the Planning Code
- Created diagrammatic documentation and final presentation that included design boards, physical and digital model exploration, architectural drawings, and renderings
